

The XBR25 is our entry level semi-recumbent bike with bright LCD screen, adjustable console angle, cooling fan, and mesh back seat. This unit also offers six programs with extensive console feedback. We've integrated a swivel fan, tablet friendly reading rack, accessory holder, and dual drink holders into the design for maximum convenience.

FEATURES

- Oversized 7.5" bright blue LCD screen with separate Muscle Activation Profile and HR % Profile LED displays
- Contact and wireless heart rate monitoring options make your workouts more effective (chest strap transmitter not included)
- Adjustable console angle, tablet friendly reading rack, and cooling fan for added comfort
- Easy access fore/aft seat adjustment with large breathable mesh back seat
- Step-through frame design for easy accessibility
- Smooth and quiet drive system featuring sealed roller bearings, large diameter pulley, durable poly-v belt and heavy-duty flywheel

CONSOLE FEATURES

As with any product, a major importance is the user interface. We focused on making everything easily accessible and comfortable: adjustable console angle, tablet friendly reading rack, and adjustable cooling fan to keep you encouraged to workout longer.
