

Indoor exercise bikes have been around for a long time. Their appeal and effectiveness have stood the test of time. Comfort, convenience, familiarity, enjoyment, and medical conditions are a few reasons this modality appeals to a large segment of the population.

Durable, comfortable, and smooth are all qualities of the XBU55 fitness bike. Easy adjustments, a cooling fan, high density foam seat, challenging programs, 20 levels of resistance, and a bright LCD display are all standard.
