

New 95% Color Mats

- The look of solid color
- Still a solid, vulcanized mat
- Same durable quality you expect from Humane
- Available in Straight Edge or LOKTUFF
- Smooth Surface

Color Options: Brick, Royal, Mocha, Forest and solid Black

Easy to Install:

- Loose lay product, requires no adhesive
- Will not curl or separate, insulates against cold
- Virtually maintenance free
- Absolutely non-absorbent
- LOKTUFF precision water jet cut eliminates gaps
- Will not harbor or promote bacterial growth
- Mitigate agent added to reduce rubber smell

Best Quality Flooring on the Market

With a Tensile Strength of up to 1000 PSI and Durometer of 63, our mats are STRONGER and SOFTER than similar products!!

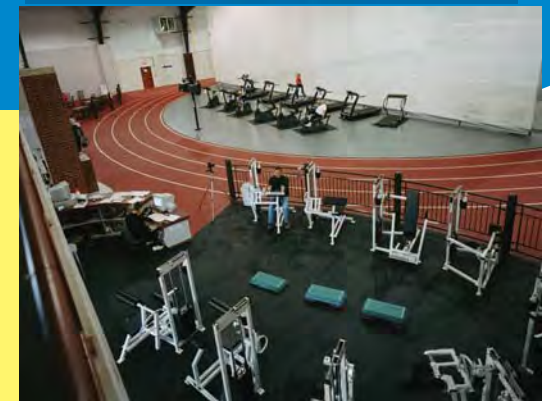

Humane's Value Proposition

- We have 32 years of rubber molding (re-vulcanizing) experience
- Our current employees have over 500 years combined molding experience
- In house research and development capabilities with laboratory for product quality specification and characteristic testing
- State of the art water jet cutting capabilities
- Ability to manufacture products to your specifications for your sole use
- Technical staff available for product selection and site inspection
- Significant production capabilities to rapidly respond to your delivery requirements

Guardian SuperSport Protective Flooring

Guardian SuperSport mats
are ideal under heavy
workout equipment;
shielding the floor from
damage while also
protecting treadmills, bikes,
and steppers from vibration
and carpet fibers.

Left: carpet
fibers and dust
created with-
out mat. Right:
with mat, less
dust and fibers.

SuperSport Available Sizes:

- 4' x 6' x 3/4"
- 4' x 6' x 1/2"
- 4' x 6' x 3/8"

Also Treadmill Mats:

- 3' x 4' x 3/8" Bevel edge
- *3' x 6' x 3/8"
- *3' x 7' x 3/8"
- *3' x 8' x 3/8"

*Two piece mat beveled four sides and interlock together.

*Note: due to manufacturing process and nature of recycled rubber, some surface variations (color distribution or shadowing) may exist.

Made from recycled
tire materials
