

EFX® 222 ELLIPTICAL

Looking for fitness equipment that feels great, is reliable, lasts for years and keeps you engaged? The new Energy™ Series Ellipticals provide a fitness center quality workout in the convenience of your home. With technology adapted from our commercial-grade models, these ellipticals have design and convenience features that will help you reach your fitness goals faster and enjoy your workouts more.

FFX® 222 ELLIPTICAL

HIGHLIGHTS

CrossRamp® Technology

Precor CrossRamp technology adjusts the shape of the elliptical path your feet travel so you can target specific muscles or all major lower body muscle groups.

Proper Biomechanics and Variable Stride Geometry™

Our patented elliptical path perfectly mimics a natural running stride allowing exercisers to keep their heels down through all ranges of motion for a more comfortable, effective and ergonomically correct workout.

Preset Workouts

10 preset workouts help you tailor your exercise to your fitness goals and stay challenged. Built-in Work Out Accelerators suggest ways to get more out of your workout.

Full Body Workout

Moving handlebars activate your core, arm and lower body muscles for a total body workout.

Listen to Your Favorite Music

Plug your music device into the console and use the console's headphone jack and on-screen volume control. It's easier and more secure than resting your music player on the console.

Heart Rate Monitoring

Maximize your workout results with touch sensor and wireless heart rate monitoring*. Works with any Polar® compatible wireless heart rate transmitter (sold separately).

SPECIFICATIONS
