

## NETWORKED FITNESS TOUCH SCREEN CONSOLE

FOR 880 LINE  
PRECOR CARDIO EQUIPMENT

# P82

## Touch Screen Console

In this digital world, entertainment and information are powerful tools for creating an engaging experience in the cardio area, one that can set a fitness facility apart, boosting attraction of new and retention of existing members.

It's time to elevate your cardio area beyond simply providing a personal television viewing screen for your exercisers. The P82 touch screen console, available on Precor Experience™ Series cardio equipment, offers you a direct-to-exerciser communication portal allowing you an opportunity to build your brand, share information about activities and services, and strengthen the sense of community within your facility.

The P82 will hook the exerciser through an alluring workout experience that rivals the latest touch screen technologies. Fueled by a new quad core processor and an Android® operating system, the bright and brilliant P82 user interface delivers a modern-day experience that exercisers have come to enjoy from their personal technology devices.

## PRODUCT HIGHLIGHTS

### 1 A Fresh Look With Familiar Navigation

The P82 features an updated user interface with crisp, fresh graphics that inspire and inform. Motion controls and other adjustments maintained their familiar location.

### 2 Optimized for Use During Workouts

Large and responsive motion controls are independent of the touchscreen, enabling exercisers to alter the motion and resistance of their workout with ease.

### 3 Consistent Appearance Across the Cardio Floor

Precor consoles maintain a consistent, proven silhouette to ensure a clean appearance across the cardio floor.

### 4 Ready for the Future

Fueled by a new, quad core processor and Android operating system, the P82 is ready to keep pace with the ever-changing world of networked fitness, media offerings and apps.

### 5 Tested for Durability and Reliability

Thousands of hours of hardware and software testing conducted internally and in facilities ensures you won't disappoint your cardio exercisers.

**PRECOR**  
Fitness Made Personal

The clean and proven design of the console makes it easy for exercisers, whether new to Precor or familiar, to start, control their workout, be entertained, stay engaged and achieve results. In addition, the P82 design allows exercisers to keep their head, neck and shoulders in an upright and natural position, making their exercise experience more comfortable and effective.

The P82 is designed to be the ideal portal to Preva® networked fitness, providing exercisers a personalized and compelling workout experience that can be tracked, saved and re-accessed. Preva also provides you with powerful tools that increase attraction, improve retention, drive revenue and optimize your cardio equipment management.
