PREMIUM FITNESS EQUIPMENT SINCE 1981

ES900 RECUMBENT BIKE

The TRUE ES900 Recumbent Bike is brilliantly engineered for comfort, safety, and efficiency. Its walk-through design accommodates users of all fitness levels while an ergonomic-enhanced reclining seat offers one of the most comfortable rides in the industry. The bike is self-generating, eliminating the need to position it near an outlet. Along with its small footprint, the ES900 allows you to maximize your workout space.
