Smart Cart

The Smart Cart Training System organizes your training equipment into a compact and easy-to-transport system. Using the timed rotational circuit, coaches will be able to train as many as 60 athletes in one hour with the equipment on the Smart Cart.

Non-marking wheels allow the Smart Cart to be wheeled to your training area, inside or out.

Hurdle heights range from 6" to 36" with a sturdy 3-point base that improves stability on all surfaces. Set-up is quick and easy; the support leg rotates in either direction and folds flat for storage.

The Smart Cart Training System includes 49 pieces of equipment:

- (12) 6" high Smart Hurdles #1
- (12) 12" high Smart Hurdles #2
- (6) Adjustable Smart Hurdles #4, adjusts from 21" to 36"
- (1) 30-ft Smart Agility Ladder
- (4) 6lbs Medicine Balls
- (2) 8lbs Medicine Balls
- (6) Power Jump Ropes
- (6) Sleeved Tubing (2 of each: XLight, Light and Medium resistance)
- (1) Smart Cart transport and storage cart

Weight: 200 lbs.
