

RBK 885 Recumbent Bike

EXPERIENCE™ SERIES

Like every piece of equipment in our Experience Series 880 Line, the RBK 885 recumbent bike adds value to your facility by combining essential reliability and ease-of-use with smooth pedaling and biomechanically correct geometry. The RBK 885 features a step-through design to appeal to a wide range of exercisers of all ages. The simple seat adjustment allows the exerciser to change the position of the seat with one hand, either on or off the bike. A ventilated air flex seat provides exceptional comfort.

The clean and proven design of the P82 touch screen console makes it easy for exercisers, whether new to Precor or familiar, to locate controls, inputs, and adjustments. The user interface delivers touch screen responsiveness to swipes and selections as exercisers enjoy an uninterrupted workout.

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services, and technologies we offer can be combined in countless ways to complement the programs and atmosphere you're creating.

RBK 885 Recumbent Bike EXPERIENCE™ SERIES

Product Features

1. Console

The P82 console not only offers a brilliant 15 in / 38.1 cm screen that's ergonomically positioned to deliver crystal-clear entertainment viewing for exercisers in motion, but when networked, is also a direct-to-exerciser communication portal allowing you an opportunity to build your brand, share information about activities and services, and strengthen the sense of community within your facility.

2. Step-through Design

Designed for easy entry, the recumbent bike has a step-through design (14 in / 36 cm wide) with a low step-over height (4 in / 10 cm).

3. Air Flex Seat Back

The custom-designed air flex seat features a ventilated panel and unique suspension system for a cool, cushioned ride.

4. Seat Adjustment

The simple seat adjustment allows the exerciser to change the position of the seat with one hand, either on or off the bike.

5. Ease of Maintenance

The easy-to-remove shroud ensures quick access to the belt-drive system for maintenance and servicing without removing the pedals or crank.

6. Dual-sided Pedals

The dual-sided pedals allow the exerciser to use the pedals with or without the integrated straps. The extra wide pedals comfortably accommodate feet of all sizes to encourage proper pedaling form.

Refined colorways with dark Tungsten covers and two frame color options.

Gloss Metallic Silver Black Pearl
