

EFX[®] 635 Elliptical Fitness Crosstrainer[®] Experience[™] Series

For a commercial elliptical that strikes the optimal balance between durability, reliability, and innovation at a value price, look no further. The EFX 635 delivers on these essentials along with premium materials, club-level appearance, and features.

The P30 console complements the line through form and function, with easy-to-use motion controls, an LED display with essential workout stats to keep exercisers moving, and a mobile device charger.

Add an optional Entertainment Cap to provide access to a selection of audio channels, including those from wall or ceiling-mounted displays, or a Personal Viewing System (PVS) to give exercisers a more personal entertainment experience, with total choice and control.

The EFX 635 can be seamlessly mixed and matched with cardio products from the Experience Series 700 and 800 lines to give you the best possible combination of cardio equipment for your exercisers.

EFX[®] 635 Elliptical Fitness Crosstrainer[®]

Experience[™] Series

Product Features

1. Drive System

Designed for multi-family housing complexes, corporations, small municipal service organizations, and many hospitality venues, the single-stage drive system provides the amazing feel that you and your exercisers have come to expect from Precor.

2. Handlebars

With moving handlebars, exercisers can push and pull with their upper body to achieve a total body workout.

3. P30 Console

The P30 console features easy-to-use motion controls and an LED display that focuses on the essential fitness stats to keep exercisers informed and engaged.

4. Adjustable CrossRamp[®]

With our patented CrossRamp, exercisers can isolate or cross-train specific lower body muscle groups by adjusting the angle of the ramp between 10 and 35 degrees, making it easy for exercisers to focus on their individual fitness goals.

5. Covered Rear Drive Housing

Experience easy maintenance with a covered rear drive housing that enables quick access for cleaning and service.

6. Step-Up Height & Pedal Spacing

The low step-up height improves accessibility and the optimized pedal spacing provides a more natural and comfortable feel.

Refined colorways with dark Tungsten covers and two frame color options.
