

EFX[®] 665 Elliptical Fitness Crosstrainer[®] Experience[™] Series

For a commercial elliptical that strikes the optimal balance between durability, reliability, and innovation at a value price, look no further. The EFX 665 delivers on these essentials along with premium materials, club-level appearance, and features.

The P62 touchscreen console injects contemporary design and a premium networked fitness experience to the cardio floor, at a mid-tier price.

Furthering the value of this state-of-the-art console, networked units receive automatic software updates, refreshed content, and new features without any action or expense.

Not only does the EFX 665 give you the unique ability to combine a value-priced elliptical base with a premium console, it can also be seamlessly mixed and matched with cardio products from the Experience Series 700 and 800 lines to give you the best possible combination of cardio equipment for your exercisers.

EFX[®] 665 Elliptical Fitness Crosstrainer[®] Experience[™] Series

Product Features

1. Drive System

Designed for multi-family housing complexes, corporations, small municipal service organizations, and many hospitality venues, the single-stage drive system provides the amazing feel that you and your exercisers have come to expect from Precor.

2. Handlebars

With moving handlebars, exercisers can push and pull with their upper body to achieve a total body workout.

3. P62 Touchscreen Console

The P62 touchscreen console features personalized viewing and the remarkable clarity of TV and internet options that exercisers crave, all in a 10.1 in / 25.7 cm screen. With the ability to "favorite" selections for future use, exercisers can customize their workout experience based on what's important to them.

4. Adjustable CrossRamp[®]

With our patented CrossRamp, exercisers can isolate or cross-train specific lower body muscle groups by adjusting the angle of the ramp between 10 and 35 degrees, making it easy for exercisers to focus on their individual fitness goals.

5. Covered Rear Drive Housing

Experience easy maintenance with a covered rear drive housing that enables quick access for cleaning and service.

6. Step-Up Height & Pedal Spacing

The low step-up height improves accessibility and the optimized pedal spacing provides a more natural and comfortable feel.
