

## EFX<sup>®</sup> 685 Elliptical Fitness Crosstrainer<sup>®</sup> Experience<sup>™</sup> Series

For a commercial elliptical that strikes the optimal balance between durability, reliability, and innovation for at a value price, look no further. The EFX 685 delivers on these essentials along with premium materials, club-level appearance, and features.

The clean and proven design of the P82 touchscreen console makes it easy for exercisers, whether new to Precor or familiar, to locate controls, inputs, and adjustments.

The user interface delivers touchscreen responsiveness to swipes and selections, allowing exercisers to enjoy an uninterrupted workout.

Not only does the EFX 685 give you the unique ability to combine a value-priced elliptical base with a premium console, it can also be seamlessly mixed and matched with cardio products from the Experience Series 700 and 800 lines to give you the best possible combination of cardio equipment for your exercisers.

## Experience<sup>™</sup> Series

### Product Features

#### 1. Drive System

Designed for multi-family housing complexes, corporations, small municipal service organizations, and many hospitality venues, the single-stage drive system provides the amazing feel that you and your exercisers have come to expect from Precor.

#### 2. Handlebars

With moving handlebars, exercisers can push and pull with their upper body to achieve a total body workout.

#### 3. P82 Touchscreen Console

The P82 touchscreen console not only offers a brilliant 15 in / 38.1 cm screen that's ergonomically positioned to deliver crystal-clear entertainment viewing for exercisers in motion, but when networked, is also a direct-to-exerciser communication portal giving you the opportunity to build your brand, share information about activities and services, and strengthen the sense of community within your facility.

#### 4. Adjustable CrossRamp<sup>®</sup>

With our patented CrossRamp, exercisers can isolate or cross-train specific lower body muscle groups by adjusting the angle of the ramp between 10 and 35 degrees, making it easy for exercisers to focus on their individual fitness goals.

#### 5. Covered Rear Drive Housing

Experience easy maintenance with a covered rear drive housing that enables quick access for cleaning and service.

#### 6. Step-Up Height & Pedal Spacing

The low step-up height improves accessibility and the optimized pedal spacing provides a more natural and comfortable feel.
