

## TRM 661 Treadmill Experience™ Series

For a commercial treadmill that strikes the optimal balance between durability, reliability, and innovation at a value price, look no further. The TRM 661 delivers on these essentials along with premium materials, club-level appearance, and features.

The P62 touchscreen console injects contemporary design and a premium networked fitness experience to the cardio floor, at a mid-tier price.

Furthering the value of this state-of-the-art console, networked units receive automatic software updates, refreshed content, and new features without any action or expense.

Not only does the TRM 661 give you the unique ability to combine a value-priced treadmill base with a premium console, it can also be seamlessly mixed and matched with cardio products from the Experience Series 700 and 800 lines to give you the best possible combination of cardio equipment for your exercisers.

# TRM 661 Treadmill Experience™ Series

## Product Features

### 1. P62 Console

The P62 console features personalized viewing and the remarkable clarity of TV and internet options that exercisers crave, all in a 10.1 in / 25.7 cm screen. With the ability to “favorite” selections for future use, exercisers can customize their workout experience based on what’s important to them.

### 2. Commercial-Grade Drive and Lift Motor

The TRM 661 is equipped with a commercial-grade 3 HP AC-motor that enhances performance, efficiency, and reliability to deliver a treadmill that is ideal for fitness facilities located in multi-family housing complexes, corporations, small municipal service organizations, and many hospitality venues.

### 3. Integrated Footplant Technology™

Recognizes the exerciser’s natural foot speeds and matches every stride for an ultra-smooth feel that enhances their workout experience.

### 4. Ground Effects® Impact Control System

Our patented GFX system combines ideal cushioning, support, and stability for exercisers. Precor decks are designed to provide more absorption in the front where the exerciser’s feet hit the belt and added rigidity at the back for a firm push-off.

Gloss Metallic Silver Frame

Black Pearl Frame

Refined colorways with dark Tungsten covers and two frame color options.
