“Using the Cascade Air Bike has enhanced our training. While working with professional athletes and college athletes, we are able to simulate the stresses that the athletes go through while competing. This bike has brought our training to the next level. I highly recommend it.”

– Pete Asadourian
Owner, Future Fitness Pro

“When we were designing our warehouse, it was important to have high quality equipment that also gave our gym a modern and edgy feel. Working with Cascade, we were able to find the best of both worlds and have really loved the physical challenge their equipment brings to our client’s workouts while also bringing such a cool dimension to the feel of our facility and brand. “
