

CE900ENT ELLIPTICAL TRAINER

2-Degree Inversion

Created to work out with comfort and ease, the CE900ENT features the Spirit signature entertainment console for media at your fingertips. Users can watch TV, browse the internet or stream audio while working on their fitness with this 10.1" touchscreen display. This elliptical features a smooth pedal motion to minimize joint stress. The robust drive train system is not only durable, but designed to stand the test of time. Combine that with the 2-degree inversion of the pedals for an ergonomic foot path.

CE900ENT ELLIPTICAL TRAINER

- Extra wide, 12 groove poly-v belt with roller bearing tensioner system to provide smooth feel and long product life
- 30 lbs. flywheel with a 12:1 pedal to flywheel ratio creates the perfect balance for smooth stride motion at any speed/resistance level
- 21" stride length with exclusive 2-degree pedal inversion to assure a comfortable motion
- Industrial grade 72mm roller bearings assure for long life and added reliability
- 40 levels of resistance will keep your clients engaged during their entire workout

Integrated adjustable fan for workout comfort

10.1" touchscreen display with multiple viewing modes

Tablet friendly reading rack holder

Accessory tray for secure placement of keys, smartphones, etc.

TV Watch your favorite TV shows right on the console, control the volume, and switch channels by tapping the virtual buttons on the screen.

DISPLAY The system provides 3 different viewing modes (Simple, Track, Dashboard) to fine tune your workout experience.

INTERNET Easily access preselected websites and online apps such as YouTube, Facebook, and Twitter through the internet on the touchscreen.

SETTINGS The console is fully configurable with in-depth console settings. Easily set up the internet connections and modify what websites are available for the user. Also, customize the TV settings, perform diagnostics and maintenance, change default language, update software version, and more.
