

MEN'S 7' OLYMPIC BAR - 1200LB TEST

PRODUCT FEATURES

DESCRIPTION

Men's Olympic Bar, available in black with Chrome Sleeves.

SPECIFICATIONS

The bar has been rated with a 190,000PSI tensile strength test, 1200lb weight capacity, and has a 6 month warranty for all factory defects. (Over weighting the bar which causes bending is not covered under the warranty, please note the weight capacity).

The olympic bar accomdates all 2" Olympic Weight Plates. The bar is made with a hard chrome finish with polished steel sleeves and medium-depth diamond knurl.
