

POWDER COATED KETTLEBELLS

PRODUCT FEATURES

- Marked in both pounds and kilograms.
- Our matte powder coating provides a superior grip compared to glossy enamel and resists chipping.
- All kettlebells have flat bottoms to allow a variety of workouts such as kettlebell pushups, L-sits, and renegade rows.
- Color coded weights allow the user to easily identify the weight of their choosing.
- KETTLEBELL RACK NOT INCLUDED***

DURABILITY & WARRANTY

All Kettlebells have a one year warranty against all factory defects. Please consult your salesman for more warranty information.
