

# The HUMANE Advantage

## PROVEN TECHNOLOGY

Heavy Duty 3/8" Commercial Grade Recycled Rubber

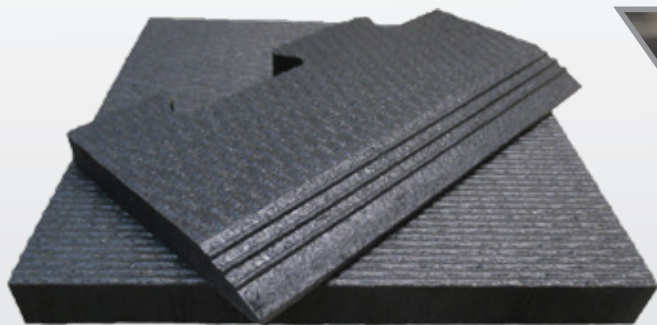

Absolutely Non-Absorbent & will not harbor or promote bacterial growth

Reduces noise & vibration

"Clean & Fresh" Mitigating agent used to reduce aroma

Beveled edges in order to avoid trip hazards

4 times stronger than rolled rubber (800 PSI per ASTM412)

**SuperSport** Equipment mats by Humane are specifically designed to protect your floor and fitness equipment. They are constructed of the same quality materials utilized in our Guardian Flooring Systems and offer the same benefits that thousands of facilities and homes rely on worldwide.

**SuperSport** equipment mats are made to last and are up to 3x thicker than other mats.
