PRODUCT FEATURES

SPACE SAVING FOOTPRINT

With just 3.5 ft x 2.3 ft of footprint, the compact design of the STEPR takes up minimal space in your home while still providing a highly effective workout platform.

360° SWIVEL TOUCHSCREEN

The 360° Swivel Touchscreen is a fully rotatable screen that allows you to interact with the STEPR console from various angles.

AUTOMATIC SAFETY FEATURES

- Emergency Stop Button: Halts the machine instantly.
- Auto Stop: The STEPR stops automatically if you step off.
- Infrared Sensor: The STEPR stops automatically if it detects any obstacle.

STEPR ANCHOR POINTS

The STEPR Anchor Points are strategic and secure attachment locations on the STEPR machine. These points allow you to connect various accessories, such as resistance bands or other fitness equipment, to enhance your workout experience.

STADIUM STEPS

The Stadium Step are all about family and bringing together a diverse range of people, individuals of all ages and backgrounds, to join the incredible STEPR community. We chose the Stadium Steps to ensure that every member of the family can step up, quite literally, and be a part of this exciting journey.
