The XBR55 is Spirit's mid-priced semi-recumbent bike. It has all the conveniences of our XBR25 including a 7.5" backlit LCD screen, an adjustable mesh back seat, built-in hand pulse sensors, and 20 levels of resistance. With 4 additional built-in programs, an included wireless heart rate monitoring strap, as well as an audio jack and speakers, the XBR55 is perfect for those that want to take their workout to the next level. We even added an adjustable seat back angle and remote handlebar controls to help keep you comfortable and in control.

FEATURES

- Oversized 7.5" bright blue backlit LCD screen with separate Muscle Activation Profile and HR % Profile LED displays
- Remote handlebar toggles for convenient resistance changes without taking your hands off the seat handles
- Contact and wireless heart rate monitoring options make your workouts more effective (chest strap included)
- Adjustable cooling fan and dual speakers with audio jack for comfort and entertainment
- Easy access seat adjustments for fore/aft and reclining backrest positions
- Built-in Bluetooth FTMS lets you connect your machine with fitness apps like Zwift, Kinomap, SPIRIT+, and more
