

# PALLADIUM SERIES PLATE LOADED

Accessible to all levels of users in your facility, the Palladium Series Plate-Loaded line combines modern styling and heavy-duty commercial construction with easy entry/exit designs and precision biomechanics. The Palladium Series Plate-Loaded line provides the innovation, durability and aesthetic you've come to expect from TRUE.

## SHOULDER PRESS PLS-0200

### FEATURES

- Unilateral arms converge above and in front of the user to maximize articulation of the shoulder and allow for a complete range of motion
- Unique 4-position adjustable handles allow user to set range of motion best suited to their individual needs
- 6-position seat uses gas cylinder assist for stable, friction-free adjustments

### SPECIFICATIONS

#### COLOR OPTIONS

Powder coat finish available in matte black with custom color options. Eighteen standard vinyl seat color options with custom colors also available. Contact your sales representative for more information.
