

CSF-AABB ADJUSTABLE AB BENCH

The Spirit Fitness CSF-AABB Adjustable Ab Bench is built for convenience, comfort and durability. Multiple seat positions allow users to target multiple abdominal muscles. Plus, the wide back pad and adjustable leg support provide stabilization during your workout. The spring-loaded lock pins ensure quick and easy adjustments. All pads use high density foam with premium upholstery and high quality stitching, making them not only comfortable, but durable and easy to clean.

The built-in transport wheels allow you to easily move your bench where you need it most. The PVC foot covers add stability and protect your floor. The heavy-gauge steel frame with commercial-grade components are built to last and deliver the results you want.
