- Heavy-gauge steel frame with high-quality powder coat finish

CSF-ADJB FEATURES

The Spirit Fitness CSF-ADJB Adjustable Bench is built for convenience, comfort and durability. Built to accommodate all types of bench exercises, the back pad easily adjusts from 0 to 90 degrees. The spring-loaded lock pins ensure quick and easy adjustments. The contoured seat and back pads are made with premium upholstery and high quality stitching. All pads use high density foam, making them not only comfortable, but durable and easy to clean.

The built-in transport wheels and comfort grip transport handle allow you to easily move your bench where you need it most. The PVC foot covers add stability and protect your floor. The heavy-gauge steel frame with commercial-grade components are built to last and deliver the results you want.
