

CSF-BEXT BACK EXTENSION

The Spirit Fitness CSF-BEXT Back Extension is built for convenience, comfort and durability. 45-degree positioning is ideal for training posterior muscles. The lower leg pads eliminate knee discomfort by supporting the calf. Plus, the adjustable thigh pads accommodate users of all sizes. Spring-loaded lock pins ensure quick and easy adjustments. All pads use high density foam with premium upholstery and high quality stitching, making them not only comfortable, but durable and easy to clean.

The non-slip rubber feet add stability and protect your floor. The heavy-gauge steel frame with commercial-grade components are built to last and deliver the results you want.
