

CSF-LEGP LEG PRESS

The Spirit Fitness CSF-LEGP Leg Press is built for convenience, comfort and durability. 45-degree positioning is ideal for a plate loaded leg press. The back pad adjusts to 7 positions to open or close hip angle allowing for versatility in your workout. Plus, two takeoff heights ensure comfort and safety while the linear bearings provide smooth feel and function. Spring-loaded lock pins ensure quick and easy adjustments. The 770 lb carriage loading capacity keeps you challenged. All pads use high density foam with premium upholstery and high quality stitching, making them not only comfortable, but durable and easy to clean.

The non-slip rubber feet add stability and protect your floor. A handle is conveniently located on top of the foot plate to aid in entry and exit. The storage horns allow for weight storage, keeping your area organized. The heavy-gauge steel frame with commercial-grade components are built to last and deliver the results you want.
