

CSF-SMTH SMITH MACHINE

Safely perform squats, bench presses, shoulder shrugs and more with the Spirit Fitness CSF-SMTH Smith Machine. The vertical design makes set up easy and accommodates most exercises. Built for all levels of fitness, the bar is counterbalanced to 4.4 lb for a very low starting resistance. Plus, the adjustable bar stops are easy to identify and adjust in small increments ensuring safety and confidence. The 650 lb smith bar loading capacity keeps athletes of all levels challenged.

The non-slip rubber feet add stability and protect your floor. 6 storage horns allow for weight storage, keeping your area organized. The heavy-gauge steel frame with commercial-grade components are built to last and deliver the results you want.
