

# CSF-UPRB UPRIGHT BENCH

The Spirit Fitness CSF-UPRB Upright Bench is built for convenience, comfort, and durability. Designed for a variety of seated exercises. Plus, the bench includes foot bars to help stabilize your lower body during heavy lifts ensuring you get the most out of your strength training. The contoured seat and back pads are made with premium upholstery and high quality stitching. All pads use high density foam, making them not only comfortable, but durable and easy to clean.

The lightweight design and built-in transport wheels allow you to easily move your bench where you need it most. The non-slip rubber feet add stability and protect your floor. The heavy-gauge steel frame with commercial-grade components are built to last and deliver the results you want.
