

# XE395 ELLIPTICAL

Elevate your training experience with the feature-packed XE395 elliptical. With a vibrant 7.5" backlit LCD screen, you'll stay both engaged and informed while effortlessly monitoring your key metrics. Dive into a plethora of preset training options, including goal-driven Time, Calories, and Distance programs, all while maintaining your focus with convenient handlebar incline and resistance adjustment buttons. The XE395 natural 20" stride length and narrow 2" pedal spacing guarantee an optimal stride motion, complemented by oversized, cushioned foot pedals that can be adjusted to 3 different angles for unparalleled comfort. Engineered with dual roller wheels and aluminum rails, this elliptical ensures a smooth and dependable workout every time.

## FEATURES
