

# FUSE-0800 DELTOID RAISE

Modern and comprehensive strength conditioning series designed to meet the space and performance demands of today's fitness facilities. The user-friendly features and performance will appeal to a wide variety of users.

## FEATURES

- Five position seat uses four-bar linkage with gas cylinder assist for stable, low friction adjustments
- Seat and chest pads angled 5 degrees for proper ergonomics and support
- Dual press arms operate independently allowing users to choose from unilateral and bilateral training
