

- 15.6" TOUCHSCREEN
- SCREEN MIRRORING
- STREAMING APPS
- USB CHARGING PORT

The CR800ENT Recumbent Bike is the perfect bike for the commercial environment. Designed on the solid CR800 platform, the CR800ENT incorporates touchscreen technology on a large 15.6" entertainment display. Users can screen mirror from their phone so they can watch whatever they want. Pre-loaded apps also give users the ability to stay entertained with popular streaming content. The step-through design makes it easy for your clients to get on the bike while the easy-adjust seat allows them to find the most comfortable position.

CR800ENT RECUMBENT BIKE

- Large 15.6" touchscreen with screen mirroring* and streaming/music apps
- 3 different workout display modes give users a variety of workout feedback
- Oversized foot pedals with fast latching system
- High density foam seat for extra comfort during a long ride
- 40 levels of resistance to satisfy the needs of beginners or advanced exercisers
- Contact and Bluetooth heart rate options to help keep clients in their effective training zone (chest strap sold separately)
- Adjustable cooling fan and USB charging port enhances the user's experience
