

CRW800 ROWER

Folds for easy storage

The CRW800 Rower combines a long list of high performance features with a reliable design. From the convenience of the 20" frame height and folding storage design to the combined air/magnetic resistance and remote handle controls, the CRW800 is sure to impress. It is the perfect addition to a corporate fitness or recreation center, school or hotel because the ease of use and resulting unparalleled full-body workout are second to none. Plus, the built-in generator allows placement of the rower nearly anywhere – no plug required!

CRW800 ROWER
